

# HDCVI Indoor/ Outdoor Vari-facial Eyeball Camera

**HDCVI**  
High Definition Composite Video Interface

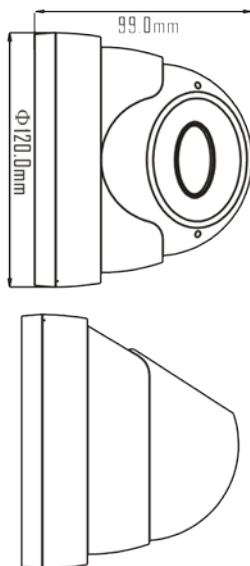

## Key Features:

- 1/2.8" 2.0MP(1920\*1080) SONY Exmor CMOS
- High rate, long-distance, real-time transmission
- Defog, D-WDR, 8X zoom
- Motion detection, privacy mask
- Smart IR control
- Night vision 35 meters
- HD CVI/CVDS 960H Dual output
- Power supply: DC12V

Specifications are subject to change without prior notice.

Model Number  
ELI-ACVI-ED21-312MR

| Model Number          | ELI-ACVI-ED21-312MR                                         |
|-----------------------|-------------------------------------------------------------|
| Image Sensor          | 1/2.8" 2.0MP SONY Exmor CMOS                                |
| Effective Pixels      | 1984(H) x 1105(V)                                           |
| Resolution            | Digital: 1920x1080p (1080p/30fps)<br>Analog: 700TVL         |
| S/N Ratio             | >50dB (AGC Off)                                             |
| Min. Illumination     | 0Lux@(F2.0, IR ON)                                          |
| Scanning System       | Progressive                                                 |
| Video Output          | Digital: HD-CVI;<br>Analog: 1Vp-p Composite Output(75Ω/BNC) |
| Day & Night           | Extern, Color, B&W, Auto                                    |
| White Balance         | Auto                                                        |
| Defog                 | OFF/ON                                                      |
| DNR                   | 2D+3D NR                                                    |
| WDR                   | OFF/ LOW/ MIDDLE/ HIGH                                      |
| Privacy Mask          | ON/OFF (16 Areas)                                           |
| Motion Detection      | ON/OFF (4 Areas)                                            |
| IR LED                | 36pcs leds                                                  |
| Lens                  | 2.8mm~12mm motorized zoomed lens/auto focus                 |
| IR Range              | 35m                                                         |
| Input Voltage         | DC12V±10%                                                   |
| Current               | 320mA                                                       |
| Power Consumption     | <4W                                                         |
| Weight                | 650g                                                        |
| IP Rating             | IP66                                                        |
| Operation temperature | -10°C~+50°C(14°F~122°F)                                     |
| Operation humidity    | < 85%RH (Non-condensation)                                  |
