

# HDCVI Indoor/ Outdoor Economy Fixed Lens Eyeball Camera

**HDCVI**  
High Definition Composite Video Interface

## Key Features: ELI-ACVI-EED21-4R

- 1/2.7" 2mp CMOS Image Sensor
- High rate, long-distance, real-time transmission
- Auto exposure adjustment feature
- IP66 Wetherproof
- Night vision IR up to 65 feet
- No OSD Menu
- Power supply: DC12V

| Model Number          | ELI-ACVI-EED21-4R            |
|-----------------------|------------------------------|
| Image Sensor          | 1/2.7" 2mp CMOS Sensor       |
| Signal System         | NTSC                         |
| Effective Pixels      | 1930(H) x 1088(V)            |
| Min. Illumination     | 0.01Lux@F1.2 (0Lux IR on)    |
| Frame Rate            | 60Hz:1080P@30fps (1920×1080) |
| Scanning System       | Progressive                  |
| Video Output          | Digital: HD-CVI              |
| Electronic Shutter    | Rolling Shutter              |
| Synchronization       | Internal                     |
| AES                   | Auto                         |
| AGC                   | Auto                         |
| Day and Night         | Auto (ICR)                   |
| White Balance         | Auto                         |
| BLC                   | Auto                         |
| IR LED                | 24pcs leds                   |
| Lens                  | 3.6mm                        |
| Field of view         | H: 83.5 degrees              |
| IR Range              | 65 feet (20 meters)          |
| Input Voltage         | DC12V±10%                    |
| Power Consumption     | <3.5W 270mA                  |
| Weight                | 260g                         |
| IP Rating             | IP66                         |
| Operation temperature | -10°C~+50°C(14°F~122°F)      |
| Operation humidity    | < 85%RH (Non-condensation)   |
