

IPID-TP2MPIR50L2812-W

2 Megapixel IP IR Indoor Dome Security Camera

Adopt HI processing chipset & HD CMOS image sensor
H.264, AVI coding format

Max. Support 720P(1280X720), 25f/s full real-time coding

Built-in web to achieve configuration of video and network parameters

POE optional (IEEE 802.3.af)
Support ONVIF2.3 standard network video transmitting protocol

Megapixels:	2MP - 1080p
Image Resolutions:	2MP(1920x1080) / 1.3M(1280x960) / 720P(1280x720) / D1(704x576/704x480)
Image Sensor:	1/2.9 Sony CMOS
Min Illumination:	0.01 Lux@F1.2
LEDs:	30
IR Distance:	50 ft
OSD:	Yes
Operating Temperature	+14F to +122
Dimension:	6x5x6
Power:	DC 12V, PoE (802.3af)
