OD-CM600IR50-B

Features:

Our OD-CM600IR50-B is our absolute best value in the Vandal Dome security camera category. This weatherproof indoor or outdoor security camera features a 1/3" sensor and a 3.6 mm lens which provides a great wide angled overview. This 600tvl security camera also has built in infrared LED illuminators which will provide up to 60'ft of infrared illumination in complete darkness. This security camera will switch to black and white automatically in low light environments providing good quality night time viewing. We recommend this camera as a cost effective overview camera.
