

Product Specifications

OD-CM700IR50-B

Features:

Our OD-CM700IR50-B is our absolute best value in the Vandal Dome security camera category. This weatherproof indoor or outdoor security camera features a 1/3" HDIS CMOS sensor and a 3.6 mm lens which provides a great wide angled overview. This 700tvl security camera also has built in infrared LED illuminators which will provide up to 50'ft of infrared illumination in complete darkness. This security camera will switch to black and white automatically in low light environments providing good quality night time viewing. We recommend this camera as a cost effective overview camera.

Image Sensor	HDIS CMOS 1/3"
Effective Pixel	NTSC:811•508, PAL:795•596
Horizontal Resolution	700 TVL, With IR-CUT
Minamum Illumination	0.001Lux/F2.0
SIN Ratio	≥46dB (AGC OFF)
Scanning System	Internal
Synchronous System	Internal, Negative sync,
Auto Electronic Shutter	Auto:PAL 1/50-1/100, 000Sec;NTSC 1/60-1/100,
Gama Characteristic	0.45
IR Distance	50ft Meters (with 24 PCS Infrared LED)
Power	DC12V 150mA
Lens	3.6
Dimension (mm)	3.7 x 2.7 (H) in
Weight(g)	.88 lb
Operating Temperature	-22 - 122 F
