

Product Specifications

POE-1G

Input Voltage	100-240VAC
Output Voltage	48VDC
Network standards	IEEE802.3i 10 BASE-T, IEEE802.3i 100 BASE-TX, IEEE802.3x flow control IEEE802.3af / I E~E802.3at
PoE power	Max30W
Processing types	Store-and forward
Data Rate	10/100/1000Mbps
Installation and Management	Plug and play installation Midspan automatically detect all devices support for PoE
Working Temp.	0·c- 40·c
Storage Temp.	-10·c-70·c
Operating Humidity	20%-85%
LED indicator	Link,speed,PoE active, PoE error, Data Port green
Safety	CE/FCC/RoHs
