

POE-1P

Feature:

- ▶ Reduced Installation cost
- ▶ Fully IEEE802.3af/IEEE802.3at compliant
- ▶ 10/100/Mbps supported
- ▶ Plug & Play. No configuration required

Features

POE+ unit gives power to POE IP cameras and POE+ IP Cameras
Can also be used for VOIP Devices

Technical Specification:

NP-300	PoE injector
Features	Conforms to IEEE802.3af/at standard RJ-45 Data Input Interface RJ-45 10/100Base-TX Output Port Power Cable Included
Data rate	10/100/Mbps
Input Power	90-240VAC ,50-60Hz
Output Power	30W Max.
Wiring	Data provide dover pairs 1/2 (+) and 3/6 (-) Power over spare pairs 4/5 (+) and 7/8 (-)
LED display	YES
Operating temperature	0 to +40°C, Humidity max. 95% RH (non-condensing)
Dimension	61×40×12(H×D×W)
Weight	200g

Application:
