

Product Specifications

BC-EL600

The BC-EL600 is one of our Elite Series security cameras that come with a 2 year factory warranty. This box security camera features an amazing 600TVL with a Sony Super HAD II 1/3" CCD. This camera can be mounted indoors using a standard camera mount or outdoors in a weatherproof outdoor housing. Just choose the lens of your choice and you are ready to go. This super advanced camera has a built in on screen display to make configuring the different settings of this camera a snap. This camera can see in extremely low light without the need for infrared and the Wide Dynamic Range feature can compensate for most lighting issues.
