

Product Specifications

VD-EL650L2812

The VD-EL650L2812 is the ultimate Vandal dome. This is our new Elite series camera that features the brand new Sony Effio DSP and the Sony EX-view HAD II CCD. This is currently the highest resolution Vandal dome on the market and has many amazing features. This security camera achieves an amazing 650TVL in full color and 700TVL when in black and white. Using it's 2.8-12mm lens you can chose between a super wide view or a very tight view at a distance. This camera can see in extremely low light and is rated for .0001 LUX. There is a built in on screen display which can be controlled from a joystick that is built right into the cable. From the OSD you will be able to control all of the cameras features including ATR (Adaptive Tone Reproduction), BLC, DNR (Digital Noise Reduction), and much more. Our Elite Series cameras are covered by a 2 year factory warranty and of course you will have access to our best in industry tech support to assist you with the set up.
