

# VDB-EL2IRA-W

2NP Wifi Black Video Doorbell

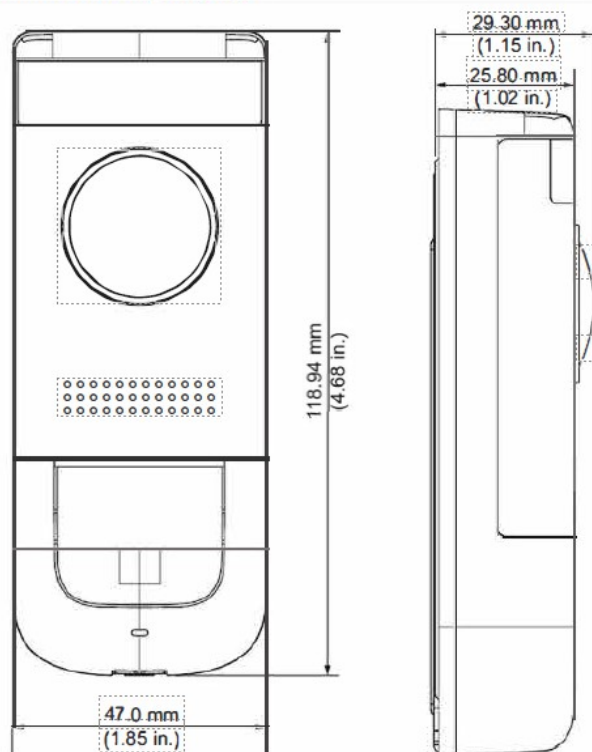

## Camera Overview

Are you looking for a doorbell solution that will tie into your NVR or record to an internal SD card and not cost you extra every month or when you want to download footage? This doorbell camera can be used wirelessly with your local network or wired and integrated with your NVR for recording and you can even use it as a stand-alone device that records directly to a Micro SD card up to 64GB.

- Up to 1080P HD video talk with 140° horizontal angle
- IR powered night vision
- PIR detection with 3 configurable zones
- Works with existing mechanical/electronic chime, or DS11
- Easy installation(Wi-Fi), wide voltage power supply
- Cloud talk, cloud storage

## Dimensions (mm/in)

|-------|--------------|
| Model | VDB-EL2IRA-W |
|-------|--------------|

### Video

|                   |            |
|-------------------|------------|
| Video Compression | H.264      |
| Image Sensor      | 1/2.9" 2MP |
| Lens              | 1.9mm      |
| Angle of View     | H:140°     |
| Day/Night         | ICR, 5m    |

### Audio

|                    |                                     |
|--------------------|-------------------------------------|
| Audio Compression  | G.711                               |
| Audio Input        | Omnidirectional Mic                 |
| Audio Output       | Built-in Speaker                    |
| Bidirectional Talk | Support Dual-way Bidirectional talk |

### Operation Mode

|                  |                          |
|------------------|--------------------------|
| Keypad           | Single Mechanical Button |
| Motion Detection | PIR, 5m, H:120°          |

### Network

|       |                         |
|-------|-------------------------|
| Wi-Fi | IEEE802.11b/g/n, 2.4GHz |
|-------|-------------------------|

### General

|                      |                       |
|----------------------|-----------------------|
| Ingress Protection   | IP55                  |
| Memory Slot          | Micro SD, Max 64GB    |
| Installation         | Surface               |
| Material             | Plastic               |
| Power                | AC16-24V/DC12-24V     |
| Power Consumption    | Stayby<3W, Work <5W   |
| Working Environments | -20°C~+50°C           |
| Relative Humidity    | 10%~95%RH             |
| Dimensions           | 119.0mm×47.0mm×29.0mm |
| Weight               | 0.30Kg                |
